Introduction

The Friends of Manchester Cathedral have supported our work for over 70 years.

The Association has a passion for all we do: our work with young people, our worship, our exhibitions and concerts.

The Friends have made additions to the building that will last for generations, everything from new windows to helping to keep the roof on!

I do hope you will consider becoming a Friend and furthering their work.

About the Friends

The Friends were founded in 1937 with the objective of "supporting the Chapter of Manchester Cathedral in maintaining and improving the fabric of the Cathedral and precincts and to help enrich the ornaments and furnishings".

Over the past 70 years, the Friends have endowed the Cathedral with many beautiful and practical gifts which include:

- Four of the five contemporary windows on the Cathedral's West wall
- The nave altar and banners
- Contributions to the Music Department including a new grand piano and sponsoring a chorister
- Re-designing the Welcome Area
- Replacement of chairs for the nave
- Financing the Education Department and grant to the Archives Department
- Donation towards new kitchen for the Refectory

The Friends rely entirely on subscriptions, donations, bequests and the income from investments to fulfil their objectives. We must find new members to help with the work of preserving the Cathedral – a house of prayer in a busy conurbation.

Membership of the "Friends" forges links among those who love Manchester Cathedral. As a Friend of Manchester Cathedral you will receive information about events at the Cathedral and enjoy a programme of outings and social events throughout the year.

Please help us to continue this support by becoming a Friend.
